The purpose of this modification is to deobligate from the contract those funds obligated to meet the Government's minimum left unliquidated. Not all those funds obligated to the contract were ultimately allocated to the contract. Therefore, we are deobligating those funds that were not allocated.

	<p>(2) It is noted that there was an issue with one of the previous obligation/allocations. To synchronize the Agency's contract writing system (EAS) and Agency's Financial recording system the amount of \$283,067.00 is being deobligated in EAS. This figure is different from the amount being deobligated in the Agency's Financial system which is \$187,449.00. This explains the fact that the amount referenced in Block 12 of the modification is different than that specified within this portion of the modification. RTP Finance will need to record the deobligation as \$187,449.00.</p> <p>Period of Performance: 12/22/2020 to 12/21/2025</p>
